

**French Lick Springs Resort & Spa Summer Broadway Series
USO Show To Honor All Vets**

Fifty children representing almost every school in Floyd County will participate in the big Memorial Day USO Veterans tribute at the French Lick Springs Resort & Spa.

On May 30th, 2004 the French Lick Springs Resort & Spa will present a special program honoring all veterans from all Wars and Conflicts. On that Sunday night starting at 8:00 p.m. the USO style tribute will feature live music, songs, dance and comedy that should bring back memories to the soldiers who have served in the United States Armed Forces.

"Many songs from all of the war eras will be performed. Country Music, Rock & Roll, Big Band...we'll have all of them", said Bob Trinkle, Producer/Director for the Summer Broadway Series at the Resort.

Trinkle added, "this is the opening weekend of our Broadway Series. From then until Labor Day we will have the comedy Rumors on Friday nights, The Wizard of Oz on Saturday afternoons and Murder In The Grand Hotel , our acclaimed Murder Mystery on Saturday nights."

The USO style Memorial Day Show is special, in that it blends top professional talent with fifty young performers from many of the communities in southern Indiana.

Area VFW and American Legion units will provide a color guard presentation and presence. "It will just be a very moving and emotional salute to all of our wonderful service men and women," Trinkle said, " I hope many will come and enjoy.
